

Records Officer Report – May 2010

Congratulations to those swimmers who have broken a record for the first time this season. Swimmers Lily Collins, Philip Blunt, Alice Lieshout, Kirsten Lieshout, Andrew O'Connor, Jeremy Meyer, Stephanie Morgan, Annie Pepper, Kate Sommerfield, Alex Tsebelis, Georgia Tsebelis, Brayden Waltham and Dylan Wyatt all claimed multiple records.

Traralgon swimmer Georgia Tsebelis broke an amazing 48 records throughout the 2009/2010 season. In January 2010 Georgia broke a 1977 Out of Gippsland record held by Suzanne Baumer from Morwell in the 12 years 400m freestyle.

The change in regulations governing qualifying for Long Course Countries, State and National Championships has seen many Gippsland swimmers travelling out of the district last season. Please be mindful that if you break a record at a qualifying meet outside of Gippsland that you should notify me as I do not check all meet results. Likewise, please do not assume I will pick up all Gippsland records, an email to confirm the record would be appreciated.
